TAILOR MADE

Serial, contract, tailor and custom-made: every Zonca Lighting creation reflects both a thirst for innovation and an awareness of tradition. The coming together of ideas and designs using light and space to craft unique, outstandingly elegant atmospheres. A product for every style, for every setting, for every dream.

With extensive experience and an ongoing commitment to innovation, Zonca Lighting takes care of every detail, delivering unique and customised, tailor-made products which reflect the most intimate desires of our clients, the physical manifestation of our company's mission to deliver the highest quality, made in Italy. Attention to technical and aesthetic requirements, the selection of the finest materials, crafted entirely by hand, and our after-sales service network are what make Zonca Lighting a truly reliable partner, creating exclusive lighting for every setting.

Every Zonca Lighting project exudes all the creativity of our talented in-house design team, accompanied by some of the most famous designers on the contemporary scene, in a constant search for innovative solutions to bring light to life.
